ABOUT RHEUMATISM

Rheumatism causes more pains and suffering than any other disease for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.

FOR SHERIFF

I hereby announce myself as candidate for re-election to the office of sheriff of Halifax county, subject to the democratic primary to be held June 1.

It is with pleasure that again I have the opportunity of thanking my friends for their loyalty to me from year to year, and once more assuring the people of the country that my one endeavor in the future, as in the past, is to keep our county the cleanest in the state.

Respectfully,
J. A. HOUSE
